# & FACILITIES

## TRUXUN SKATE PARK

The City of Annapolis is pleased to offer a Skate Park for in-line skaters and skate boarders. Effective January 1, 2004, the Truxtun Park Skate Park will operate as a USE AT YOUR OWN RISK facility (it will not be monitored full-time) nor will users need to sign a waiver. Signs are posted at the facility with rules and regulations stating that the City does not assume any responsibility or liability for users' injuries. Both full and part-time workers will periodically monitor the parks use. Annapolis Recreation and Parks reserves the right to restrict entry to the facility and ask persons to leave the park if any

of the rules are not followed or if unsafe behavior is observed.

Safety equipment is **STRONGLY RECOMMENDED** and includes a helmet, elbow, knee and wrist pads.

Hours are 9:00 am until dark - year round - weather permitting. Special events sponsored by Annapolis Recreation and Parks will be posted.

Specific questions can be directed to ARPD at 410-263-7958.

## ATHLETIC FIELD PERMITS

Field use permits can be obtained from the Annapolis Recreation office. Recreation sponsored and co-sponsored activities take precedence over community youth groups (in-season athletics), community youth groups (out-of-season athletics) and private organizations. To maintain upkeep and provide quality fields, the Department has a fee schedule in place for field lining, snack bar use, lights and field monitors. The Annapolis Recreation Department schedules Bates Athletic Complex, Old Bates Athletic, Griscom Fields, Collison Field, and the new Annapolis Sports Complex (behind Germantown Elementary). Field use forms for use beginning in March (spring/summer) are due into the office by January 31. For field use

beginning in August (fall), forms are due by July 1.

## FACILITY USE PERMITS

Facility use permits can also be obtained from the Annapolis Recreation office. There is a rental fee of \$30.00 per hour for gymnasium use for athletics. Recreation Department activities take precedence over community youth groups and private organizations. On a case by case basis there may be deposits required for special use situations. We currently have facility space at the Recreation Center located at 9 St. Mary's Street, the Griscom Building located at 273 Hilltop Lane, and at the Annapolis Walk Community Building at 1701 Belle Drive.

## COMMUNITY ATHLETIC ORGANIZATIONS

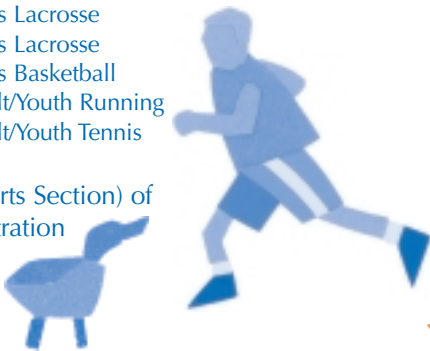

The Department works closely with various Community Athletic Organizations to assist in providing quality athletic programs for local youth. The Annapolis Recreation Department provides practice and lined athletic fields and restroom access for games. Throughout the years, this cooperative effort has been of great value to the youth within the Annapolis area.
